Call or text 911 in life threatening emergencies

FIRE

BOMB THREAT

**GAS
LEAK**

HAZMAT

**SEVERE
WEATHER**

HAZMAT

**MEDICAL
EMERGENCY**

ACTIVE THREAT

Evacuation

PROMPTS: Fire alarm, direction from the UNT Police or City of Denton Fire Department, an Eagle Alert, a visibly life-threatening situation

- Gather those around you and quickly leave through the nearest exit.
- Ask those around you with limited mobility if they need help and provide assistance, as able.
- If you take notice of someone unable to evacuate, note their location and tell first responders as soon as possible.
- Those with access and functional needs should immediately go to the nearest fire refuge area and call 911.
- Move at least 200 feet away from the building and stay off fire lanes.
- Comply with directions from first responders.

Shelter

PROMPTS: Eagle Alert, Outdoor Warning Sirens

- Go indoors immediately.
- Seek shelter on the lowest level of the building, away from windows and exterior walls.
- For tornadoes: Encourage others to shield their head and neck with arms and putting material such as furniture and blankets around themselves.
- If the event is HAZMAT related, completely turn off or seal off all external air sources including windows, doors, and air vents.
- Stay in shelter until an Eagle Alert is sent telling you it's safe to leave.

Medical Emergency

- Call 911 (or have someone call 911 for you).
- Send others to get an AED and to meet first responders at the door.
- Ask the individual if you have their permission to assist them.
 - If **YES**, provide first aid to the extent that you feel able.
 - If **NO**, move away from the individual and wait for first responders.
 - If **unconscious**, you have implied consent to provide assistance, as long as you are not negligent.
- Assist paramedics as needed when they arrive.
- Gather info and report the incident to Risk Management Services.

Run. Hide. Fight.

PROMPTS: Eagle Alert; successive, loud shot noises; groups of individuals running and screaming

- **RUN** and escape the active threat if possible.
- **HIDE** from the active threat if escape is not possible.
- **FIGHT** the attacker as a last resort and commit to your actions.
